# Thebeyame Investment Plan

Picture a future where your ambitions are nurtured, your aspirations realized. Thebeyame Investment Plan stands as your bridge to this future, offering an array of benefits and features that propel you toward your financial aspirations.

## Explore the Distinctive Features

### Two Pocket Strategy:

Access part of your funds (in the Withdrawal Pocket) while the rest (in the Investment Pocket) continue to grow.

### Automatic Inflation Management (AIM)

Safeguard against inflation with our AIM facility. Premiums grow gradually, protecting your investments.

### Access with Control:

Withdraw as little as P350 or up to 80% of the withdrawal pocket

### Potential for growth

Offers the possibility of increased returns, aligning with your financial goals.

### Term Customization:

Mold your investment timeline with terms ranging from 6 to 25 years. Your vision, your pace.

### Entry Age:

It caters to individuals aged 19 to 65, offering comprehensive support for all life stages.

---

# Benefits

Unleash Financial Freedom

1

## Life Cover: A Legacy Beyond Time

Lump sum payout upon the passing of the life insured (waiting periods apply), **P10,000 to P100,000 coverage**. **No underwriting** will apply.

2

## Funeral Benefit (Main Life and Spouse)

Provide peace of mind for you and your spouse with funeral coverage. Benefit per life, ranging from **P10,000 to P70,000** ensuring a dignified farewell.

3

## Occupational Disability: Safeguarding Livelihood

Lump sum payout upon disablement of the life insured (waiting period applies to natural causes), **P10,000 to P100,000 coverage**. A standalone benefit with **no underwriting** required.

4

## Premium Waiver on Disability: Ensuring Continuity

Total investment policy premium waived upon policy owner's or premium payer's (if different) disablement. A safety net for your financial commitments.

5

## Cash Withdrawal: Your Power of Access

Empowerment at your fingertips - **make up to two withdrawals every 12 months**, anytime within the policy's lifetime after the initial year. Your financial journey, your control.
