# Thuto Lesedi Educator Plan

Discover the power of Thuto Lesedi Educator Plan, a unit linked investment product that opens the doors to a world of possibilities for your child's education. With a range of features designed to maximize returns, ensure flexibility, and safeguard your investments, we're your partner in nurturing their dreams.

## Features That Shape the Future

### Two Pocket Strategy:

Access part of your funds (in the Withdrawal Pocket) while the rest (in the Investment Pocket) continue to grow.

### Automatic Inflation Management (AIM)

Safeguard against inflation with our AIM facility. Premiums grow gradually, protecting your investments.

### Access with Control:

Withdraw as little as P350 or up to 80% of the withdrawal pocket

### Potential for growth

Offers the possibility of increased returns, aligning with your financial goals.

### Term Customization:

Craft your policy duration, from 6 to 25 years. We're here for every step of your child's adventure.

### Entry Age:

From the moment your child is born, we are here to cater to their financial future.

---

# Benefits

That Enrich Lives

1

## **Cash Withdrawal:**

Make up to two penalty-free withdrawals every 12 months to cover short-term expenses without impacting your long-term financial goals. With this access, you can withdraw from the Withdrawal Pocket to address immediate needs while leaving the money in the Investment Pocket untouched.

2

## **Premium Waiver on Death**

In the event of the premium payer's death, the total investment premium payable under the policy is waived, ensuring the child's education journey continues unhindered.

3

## **Premium Waiver on Disability**

In the event of the premium payer's disablement, the total investment premium payable under the policy is waived, ensuring the child's education journey continues unhindered.

4

## **Policy Alterations**

Change payment methods, increase or decrease premiums, and even extend the policy term to accommodate evolving needs.

5

## **Paid-Up Option**

When at least 4 policy premiums are outstanding, your policy automatically transitions into paid-up status. You also have the flexibility to request manual paid-up status, subject to minimum fund value criteria.
